O R D E R:

It has been brought to the notice of Government that the following rural dispensaries ~~on~~ on the Bellary District are kept closed for want of qualified medical practitioners,-

Name of the place	Nature of dispensary
1) Moka	(Allopathic)
2) Thambrahalli	"
3) Uchangidrug	"
4) Nandavaram	(Ayurvedic)
5) Arasikeri	"
6) Hosahalli	"
7) Rakella	"

The Special Officer, District Board, Bellary is informed that he should take steps to re-open these dispensaries at an early date by inviting applications from medical practitioners and licentiates and 'A' and 'B' class practitioners of Indian Medicine on advertisement in the Press. If medical practitioners of modern medicine are not readily available for the 3 dispensaries of modern medicine, they may be temporarily converted into ~~three~~ those of Indian Medicine and placed in charge of practitioners of that system till practitioners of modern medicine become available. The practitioners of Indian Medicine so appointed should be clearly made to understand that the change is only temporary and that they will be replaced by practitioners of modern medicine when they become available. For the sake of convenience their period of service may be fixed at one year to begin with, extensions being granted, of necessary, for further periods not exceeding one year at a time. The ~~Govt. is also~~ Special Officer is also informed that 'B' class practitioners may be appointed if 'A' class practitioners ~~may~~ are not easily available for the dispensaries of modern medicine.
